

In harmony with the rest of the collection, straight and pure lines of mirrors offer stylish and functional solutions for all types of areas. This mirror 1734 x 1200 mm combines perfectly with the matching range of furnitures of 1800 mm ensuring the symmetry of the space, giving harmony. This mirror not offers only harmony, as well offers technology and functionality, because it includes lateral illumination and atmospheric lighting at upper and lower, also boasts an electric system which prevents steaming up caused by condensation in the bathroom. It is compatible with DALI light HELVAR system, which is a light regulation controller, not included.
