

The Island collection built-in cabinets for the shower area in the bathroom unite sleek elegance with timeless practicality to create a serene sense of order and sophisticated simplicity. The interior of the cabinets respond to your different storage needs and feature a dividing shelf in the same finish.

This right-handed built-in cabinet is available in the same stunning range of finishes as the other products to ensure complete harmony in the bathroom space: the distinctive Silver finish is uniquely refined, the neutral Greige is elegant and discreet, and the Nero finish adds a bold, contemporary touch of understated sophistication.
