

The secret to an immaculate, attractive bathroom area is total harmony between the separate fixtures and fittings and practical, well-designed organization elements. The Island collection is characterized by a unique design that not only allows each item to create a bold statement, but also to complement the rest of the elements to perfection. This covered toilet roll holder is both practical and functional, and features a gently curved cover that discreetly conceals the roll while maintaining sleek, elegant lines in the bathroom space.

Available in the iconic Island collection finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial touch.
