

The Armani/Roca Island collection is characterized by its keen attention to detail, a feature that enhances the overall harmony of your bathroom space. Every accessory in the range has a unique design that not only allows it to create a bold statement when used on its own, but also complements the rest of the accessories to perfection. This set includes three of the elements in the countertop collection - a soap dispenser, toothbrush holder and soap dish – presented on a tray base, and adds practical function to the beauty area while maintaining the sleek, elegant lines of the bathroom and enhancing a sense of order. This balance between functionality and form, combined with the sophisticated finishes and textures, is the ideal complement to any bathroom or wellness décor.

The 3-piece set is available in the four iconic Island collection materials to complement the fixtures and finishes in your bathroom: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish.
