

Complementing the rest of the collection, this wall-hung vanity offers stylish and functional solutions for all types of spaces and storage needs. The straight lines and purity of form incorporate two drawers: the upper drawer offers greater storage capacity thanks to the siphon space-saving system and several compartments, while the lower drawer can be customized by adding different-sized organization containers and trays designed specifically for this purpose (Ref. A856540128, Ref. A856541128 and Ref. A856542128). Both drawers feature a soft-close system to ensure a gentle, soft-close and heightened safety.

This vanity for a single 770 mm countertop basin (Ref. A327760..0) is available in a range of three stunning finishes to allow you to create a harmonious bathroom area in which every last detail is impeccably coordinated: the distinctive Silver finish is uniquely refined, the neutral Greige is elegant and discreet, and the dark Nero finish adds a bold, contemporary touch of understated sophistication.

Enhance your vanity and washbasin with the addition of the elegant Island single side lever washbasin mixer (Ref. A5A3876..0), which comes in four finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish to the bathroom space.
