

Complementing the rest of the collection, this wall-hung vanity offers stylish and functional solutions for all types of spaces and storage needs. This furniture, designed for use with under-counter washbasins (Ref. A327762..0), features an exquisite tinted glass countertop with two 30.5 mm holes for brassware. This 1550 mm model for double under-counter basins incorporates four soft-close drawers: the upper drawers offer greater storage capacity thanks to the siphon space-saving system and several compartments, while the lower drawers can be customized by adding different-sized organization containers and trays designed specifically for this purpose (Ref. A856540128, Ref. A856541128 and Ref. A856542128). All drawers feature a soft-close system to ensure a gentle, quiet close and heightened safety.

Available in three stunning finishes to allow you to create a sleek bathroom area in which every last detail is impeccable coordinated: the distinctive Silver finish is uniquely refined, the neutral Greige is elegant and discreet, and the Nero finish adds a bold, contemporary touch of understated sophistication. Enhance the aesthetic harmony of your vanity unit with the addition of the elegant Island single side lever washbasin mixer (Ref. A5A3876..0), which comes in four finishes: shiny Chrome creates a fresh, modern look; warm Greige lends a discreet, sophisticated air; the Nero finish adds a bold, contemporary feel; and Brushed Steel brings a unique, industrial finish to the bathroom space.
