

This unique fair clay over countertop washbasin creates the ultimate statement look. Its 2-hole design allows you to maintain a distinctive look enhanced with the single side lever faucet from the Armani/Roca Island collection (Ref. A5A3876..0). The Armani/Roca Baia basins come in a range of seven finishes that not only adapt to any décor, but can also be used to create a unique ambience in any bathroom space. This basin is available in seven sophisticated finishes:

**Greige**, a balance between grey and beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design.

**Dark Metallic** can be used to create innovative colour accents and add a distinctive flair to the bathroom suite.

**Shagreen Dark Metallic** is a texturized version of the Dark Metallic that mimics sharkskin and confers an unusual warmth to dark surfaces.

**Matt Gold** adds an air of luxury to any bathroom suite. It is treated with PVD technology, a state-of-the-art process that bonds the finish to the basin to create a durable surface.

**Shagreen Matt Gold** is the texturized version of Matt Gold, and emanates an exclusive elegance to create the definitive touch of luxury in any bathroom space.

**Off-White** adds a twist to a classic shade and is the height of elegance in any space.

**Glossy White** is among the most workable finishes and adds a crisp, fresh look to any bathroom space.

The Armani/Roca finishes are hand-crafted, and any possible variations in tone and texture increase the bespoke feel and unique personality of each piece.
