

The ultimate addition to a contemporary bathroom, the stunning contour of this discreet unit enhances a minimalist bathroom design and ensures the luxury of impeccable personal care every day. Featuring a single centre hole for use with a single lever tap, it is available in four different finishes to complement any bathroom space.

Greige, a balance between grey and beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design. Dark Metallic can be used to create innovative colour accents and add a distinctive flair to the bathroom suite.

Off-White adds a twist to a classic shade and is the height of elegance in any space.

Glossy White is among the most workable finishes and adds a crisp, fresh look to any bathroom space.

The Armani/Roca finishes are hand-crafted, and any possible variations in tone and texture increase the bespoke feel and unique personality of each piece.
