

A discreet, elegant addition to the underside of a wall-hung washbasin (Ref. A3270C8..0 or Ref. A3270C8..3) or with pedestal, this towel rail is a simple solution for streamlining the bathroom aesthetics.

Available in three finishes:

Greige, a balance between grey and beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design. **Brushed Steel** adds a discreet, sophisticated feel in an elegant twist on an industrial ambience.

Chrome finish enhances the fresh, classic look in any bathroom space, and each piece has been treated with Roca's exclusive Ever shine® to ensure permanent shine.

The **Greige** and **Brushed Steel** finishes have been hand-crafted to enhance the bespoke feel of the piece and add a discreet, contemporary quality to the bathroom suite.
