

Soap dispenser in brushed finish and gloss details.

Ref. A817494...

Attention to detail is present in this round soap or body lotion dispenser, perfectly matching the look of the Baia collection. The soap or body lotion dispenser, whose structure has been handcrafted in one seamless metal piece with an elegant inserted metallic ring and a top cover in a shiny finish, may be combined with all other elements in the collection with or without tray. The combination of both brushed and shiny metallic finishes creates a playful look of shades and brightness in this piece.

Greige, a combination of grey and beige, is a leitmotiv in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design.

This piece includes touches of Shiny Greige.

The Brushed steel finish provides a discreet and sophisticated feel with a touch of elegance. It includes nuances in Chrome that add a classic and elegant touch to any space.

The Greige and Brushed Steel finishes have been handcrafted to provide the piece with a unique look and add a discreet and contemporary feel to the bathroom.
