

The stylish combination of metallic finishes creates a playful look of shades and brightness that emphasizes the soft rounded shapes of these all-purpose boxes. Moreover, they also fit perfectly inside the Armani/Roca furniture drawers to keep all kinds of small items in place.

Greige, the perfect balance between grey and beige and a leitmotif in Giorgio Armani's creations, is considered by many to be the ideal shade in interior design. This piece includes nuances in Shiny Greige.

The Brushed steel finish provides a discreet and sophisticated feel with a touch of elegance. It includes touches in Chrome that add elegance and a classic look to any space.

The Greige and Brushed Steel finishes have been handcrafted to enhance the bespoke feel of the piece and add a discreet, contemporary quality to the bathroom suite.
