

Accute attention to detail is present in this rounded shape waste bin, perfectly matches the Baia collection aesthetic. The waste bin, which structure is made of a single piece of metal (no visible joints) with two elegant metal insertions in shinny finish. The mix of both metal finishes in brushed and shiny offer a uniqueness effect. The sleek swing cover offers a discreet look. The Greige, a balance between grey and beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design. It includes two insertions of shiny Greige offering a playful look of shades and brightness make an eye-catching piece. The Brushed steel finish adds a discreet, sophisticated feel in an elegant twist. It includes two insertions in Chrome adds a twist to a classic shade and is height of elegance in any space. The Greige and Brushed Steel finishes have been hand-crafted to enhance the besp
