

This wall-hung vanity increases the sensation of luxury while maintaining a fresh, stylish look both offers functional solutions for all type of spaces and storage needs.

This furniture designed for use with over countertop washbasins for 1-3 tapholes (Ref. A3270C6..0, Ref. A3270C6..2, or Ref. A3270C6..3) offers endless combinations with different kinds of faucets. Also incorporates four soft-close drawers: the upper drawers offer greater storage capacity thanks to the siphon space-saving system and several compartments, while the lower drawers can be customized by adding different-sized organization containers and trays designed specifically for this purpose (Ref. A856540128, Ref. A856541128 and Ref. A856542128).

The exclusivity of the selection of finishes is highlighted with 3 options for exquisite back painted glass countertops that complement the lacquered finishes: Greige, Nero and Silver.

Silver is a uniquely refined finish designed to create a distinctive, stylish look in the bathroom space.

Greige, a balance of cold grey and warm beige, is a leitmotif in Giorgio Armani's creations and is considered by many to be the ideal shade in interior design.

Nero is a full-bodied, dark finish that adds a sober, sophisticated accent to the bathroom furniture and is the ideal complement to any of the Dark metallic or Shagreen Dark Metallic washbasin finishes.
